

# PIKE LAKE ADVANCEMENT ASSOCIATION

## MEMBERSHIP APPLICATION AND RENEWAL

"Thank you for your past and continued support! You've helped make possible the many events and improvements that benefit all of us in the Pike Lake area."

We are a group of your neighbors who organized this association in 1934 to protect the rights and interests of residents in the Pike Lake area. You need not be a shoreline resident to join us.

The PLAA maintains membership sign boards at the Eagle Point and High Road entrances to the Lake, along with special street lighting. We also control the Pike Lake Dam. Regular Board meetings are held per our By-laws and we have an annual membership meeting, annual dinner, annual summer boat tie up, and the Pike Tyke Fisheree so that members may socialize and become better acquainted.

Initial membership is \$35.00, which includes a ONE-TIME charge (as long as a current membership is maintained) of \$15.00 for the placement of your name on the membership sign board. **Renewals are \$20.00 annually.**

Please fill in the information (be sure to include email) below and submit with your check payable to P.L.A.A. for your membership. Forward your check and information slip to :
