### **LAKE LEVELS**

*There is currently debris (trees) blocking the Rubicon River north of Pike Lake. This will be removed ASAP.*

---

*We would like to gather more email addresses of the Lake residents for notification purposes (high water levels, town meetings, etc.). If you are not a member and wish to receive PLAA emails, please send a request to John Jung at [johnjung21@gmail.com](mailto:johnjung21@gmail.com) Thanks!*

---

Please consider volunteering for a board or officer position, or providing help with one of our events. If you have any Lake related questions or concerns please contact John Jung.
